PHILOSOPHY

Lindsay Wine Estate is the journey of Will Bolton and Matt Dunning, two mates who share a passion for music, art and wine. Will and Matt have combined all three of those passions into "LWE" – a brand new modern- yet -rustic cellar door that boasts private tasting and entertainment areas, art history and plenty of space for the kids to run around, and did we mention a vinyl collection of over 3,500 records? At Lindsay Wine Estate we encourage you to kick back and relax to some of your favourite tunes with a glass of our finest in hand.

HISTORY

Lindsay Wine Estate is a new brand but with a heritage that is steeped in Australian artistic history. Lindsay Wine Estate is named after the great Australian artist Sir Lionel Lindsay. Lindsay's works admired the early Australian pioneers who explored and worked the land. In the 1940's Sir Lionel formed a friendship with Bill Bolton. Bolton was drawn to Lindsay's artistic vision of early Australia. Bolton quickly became an avid collector of Lindsay's work. Prior to his death in 1973 Bolton's collection was donated and founded the Lionel Lindsay Art Gallery in Bolton's home town of Toowoomba, in Queensland.

Today in the Barossa Valley, Bill Bolton's grandson Will and his business partner Matt Dunning have carried on this interest in Lindsay's work. Drawing upon the pioneering spirit captured in Lindsay's paintings, Will and Matt have created a premium range of estate-grown wines and a unique cellar door experience.

WINEMAKING

A wine maker with 18 years experience in the Australian Wine Industry and a degree in Environmental Management, Matt has a great understanding of what is required to make premium wine. His experience across the industry is broad having managed the vineyard, production and cellaring, warehouse control, cellar door and national and international sales. Over the past 5 years Matt has concentrated on winemaking for the international market, which has focused on the Asian market.

Matt has a passion and full understanding of all things wine. With an eye for the right grapes through to the required winemaking process, Matt ensures what ends up in the box is perfection. Matt prides himself on being results orientated. His many years in the industry and experience across all mediums of the winemaking process, has meant he has a large network of resources and contacts to draw upon.

Matt's hands on approach and understanding of "Barossa" fruit is reflected in The Lindsay Collection and the newly launched luxury Lindsay Wine Estate range. A true expression of grape and terrior creating wines of excellence in every bottle.

SUCCESS

Our commitment to judging success is more about seeking our direct customer's feedback and opinions. Our best reviewer is you! But as a growing business we have sought a few third party reviews with great success. Our 2015 Selector Shiraz from the Barossa Valley is proving to be one of our most highly awarded wines, picking up a of "Wine of the Year" finalist in 2017 and a flurry of 4.5 stars including one of the Best New Releases for 2017 from Winestate magazine. Our Luxury range includes our 2014 LWE Shiraz which received 5 stars in 2017 for the China Year Book premium submissions.

Our awards and recommendations across our wine portfolio are something not to be sniffed at, but our ears will always be fine tuned to our customers opinions first and foremost! It's a proud moment when you offer a wine made with passion and integrity and you see that mirrored in your customers expression.
